Do you want to grow in your love and knowledge of Jesus?

Do you have a desire to increase your love and knowledge of the Bible?

What does it look like?

You would be working with an experienced team that have many gifts and abilities in areas such as preaching, teaching, book translating, publishing, conference planning,

praise and worship organising and for local churches and for large conferences, recording and CD production, book-selling, children's work, church finances, multi-media, sport for children and young people and teaching English.

So what would you be doing?

We hope to give you a flavour of what overseas mission is all about and some time will be spent each week working with each of the departments within Coram Deo.

This means that some of your time will be spent working in the existent ministries of Coram Deo. There would be opportunity to work in schools, whether that be in doing English based Sports work or supplemental English teaching. If you bring musical gifts there would be opportunities for you to work alongside our establish music team and possible involvement in larger praise events outside of Coram Deo. If you have a sports background you would be involved in at least two afternoons a week in training and football (soccer) matches. If you have a multi-media interest you would be able to assist with the media side of our church work including the weekly streaming of our Sunday morning service. There are opportunities to develop teaching English in the community or helping to run kids clubs. In all these activities we would not expect you to work on your own but as part of a team. There would also be opportunities to just help with some of the conference events and resourcing etc. Then there will be administration, social media and publicity too!

To top it off you may be asked to take part in a church service. It is going to be varied! Alongside all of this, we will want you to be part of a weekly study time organised by the pastors and to push you to get into some books, read the Bible in a year and journal your experiences!
